

OFFSHORE SERVICES

Nitrogen Services

BENEFITS

- Over pressure shutdown
- Explosion-proof LED Work Lights
- ESD shutdown (remote capability option)
- Stack-able Nitrogen Storage Tanks
- Top Fuel Tank Access for Vessel Operations
- Skid and Tanks DNV approved

NITROGEN APPLICATIONS

N2 Solutions offers a variety of offshore skid packages to meet your projects' needs. Our 180K Nitrogen Skid unit is capable of reliably providing safe and inert pressure services while minimizing the equipment foot print to your work boat or platform up to 10K psi. As a value-added feature, nitrogen; displaces oxygen, which minimizes oxidation, and arrests unintended combustion and other chemical reactions.
